O Breath of life come down soft-en our hearts; fill us and

make us new in ev-ery part Spi-rit of God vis-it this

hour we need your pres-ence to an-oint us now.

2 Come down we pray, rending the heavens:
 our nation needs to hear your voice again;
 Counsel of God, spoken in power,
 raise up your faithful servants to proclaim.
 Our need is great O Lord, do not delay.
 Send down your Spirit Lord,
 send him today!
 Spirit of God, visit this hour,
 we need your presence to anoint us now!

3 So start with us, just as we are,
 give us a hunger now to hear and to obey.
 Remove our fear, and make us bold
 Make us a people who will walk in your ways.
 Sweep through us fire of God, with works of power.
 Hungry to hear your word,
 speak to us now.
 Spirit of God, visit this hour,
 we need your presence to anoint us now!
